To FCC;I am writing to you concerning "NAB's petition 04-160". I live in an area that receives very few radio stations, so Satellite Radio has provided me variety and quality that I previously was unable to enjoy. I pay for these services and I don't feel that NAB should dictate what I am permitted to hear. I respectfully urge you at the FCC to REJECT NAB'S Petition 04-160 and allow XM to provide the kind of programming that I demand and deserve to receive as a paying consumer.

Sincerely,
Valerie Vadakin
